<b>SUBJECT OF THIS MEMORANDUM</b>		<b>RECOMMENDATION</b>	
<b>Investigation of JOSEPH BAYON &amp; GEORGES,</b> <b>suspected narcotic violator.</b>		<b>PENDING: XXX</b> <b>CLOSE:</b> <b>FURTHER INVESTIGATION:</b>	

DETAILS (if report is over two pages in length summarize in first paragraph)

1.....Reference is made to District #17's letter #17001, dated April 22, 1959, regarding suspect JOSEPH BAYON & GEORGES, who is allegedly working at the "L'AUBRENE DE FRANCE Restaurant", 58 West 58th St., New York, N.Y., telephone number JUdson 6-7788.

2.....An undercover agent, upon receipt of a letter of introduction from SE HM, will go to the L'AUBRENE DE FRANCE Restaurant and try to ascertain if BAYON is actually working there or frequenting this bar. It is further requested that District #17 forward a brief history on SE HM, so that the agent can prepare to answer any questions asked of him concerning the SE.

3.....BAYON, I&N File # A 11052931, entered N.Y., N.Y., on April 8, 1957, arriving on board the SS LIBERTY. BAYON later applied for a re-entry permit, stating that he had to go to Mexico and France on business. On May 16, 1957, BAYON left the U.S. for parts unknown and returned to the U.S. late in 1957. BAYON, at the time he requested the reentry permit, gave the following address at which he would stay while in France: PAULETTE BRET, #2 PLACE DUMARCHE, FIRMING, LOIRE, FRANCE. Due to a change in I&N regulations, it is now permissible for an alien, in possession of an alien registration card and the passport of his native land, to travel outside the U.S. any time he desires, without checking with I&N. Therefore if BAYON has made any further trips, they would be unknown to I&N.

4.....I&N further informed the reporting agent that BAYON was sponsored by PIERRE EMIL CONTRISTY, 190 East Lawn Dr., Teaneck, N.J. The files of this office show that CONTRISTY's name was found in the papers of NATHAN BERNMAN, NY:8 9673 and the address book of JEAN ARON. Since CONTRISTY is the sponsor of BAYON, a suspected violator, and having been associated with NATHAN BERNMAN and JEAN ARON, both narcotic violators, it is possible he is using BAYON as a narcotics courier. Mail coverage and telephone tolls have been requested and will be the subject of a supplemental memorandum.
